

## Mountain Man Camporee Details and Updates

### Where

Camp Aspen Ridge — Check Aspen Ridge's website on [www.trappertrails.org](http://www.trappertrails.org) for directions.

### When

Friday evening and Saturday, August 19 and 20.

### How Much

\$5 per person gets you a hot meal Friday night; a collectable patch; an opportunity to win a first, second or third troop award; and a troop participation ribbon — to show you were here.

### Preregistration

If your troop preregisters it will help us get a count for food and such, but it will get you some advantages too. Campsites will be chosen as you preregister, if you want a good site, sign up in advance. Scouters that wait to register 'til they arrive, will be matched up with what sites are left, even if you are the first wagon in the valley that night.

### What to bring

Besides the usual troop gear and Scout stuff, here's what you'll need to bring:

- Breakfast and lunch (we recommend a sack type lunch) for Saturday, Friday dinner is on us, but bring your water bottle to the meal
- Water bottle  
Speaking of water bottles, bring your bottle, canteen, bota bag ... whatever you drink from, and we will have water refill stations along the games route on Saturday
- Class 1 Medicals/Permission slips  
Give these to First Aid station when you check in. They will be returned at closing ceremonies.
- Tour Permit  
You'll need it when you check in
- Any Mountain Man garb is encouraged

### Check-in and Parking

Check-in will begin 3 p.m. Friday. If you did not preregister, a campsite will be assigned. You may drive only those vehicles with gear into the loop and only long enough to unload, not setup, but unload gear. Parking will be in the assigned areas.

## Changes to previous plans

The Dutch Oven Cook-off has been postponed to the Spring Camporee.

### What we'll be doin' —

#### Friday

6:30 p.m. Serve dinner to the Camp
